

Happy Holidays!

From John Long

President, First American Real Estate Information Services, Inc.

This special holiday CD is a small token of First American's thanks for your efforts and dedication to our success this year. This year's offering is a truly special undertaking as it spotlights the abundance of generosity shown by First American associates throughout the year. The associates highlighted in the liner notes represent a small sampling of the charitable efforts and spirit of giving that takes place throughout the year. We certainly applaud their efforts and the efforts of all of you who make a positive impact in the communities in which you live.

During this special time we'd like to thank all First American associates for another successful year and wish you and your family a happy holiday season and a prosperous New Year!

Sincerely,

John Long
